INTRODUCTION

It has been brought to the notice of Government that much difficulty is experienced by inspecting and touring officers and the travelling public in arranging for accommodation in Government Bungalows intended for their use. It has been represented that there is no certainty as to what bungalows are available for occupation, what accommodation is contained in them, to what extent they are furnished, whose permission is required, if such is necessary for the occupation of a bungalow, and whether a particular bungalow has been permanently or temporarily reserved for the officers of a particular Department. When therefore the revision of the rules for the occupation of District and Travellers' bungalows, etc., was under the consideration of this Government, it was decided that complete and up-to-date lists of these bungalows should be called for from the local officers concerned with a view to the preparation of a pamphlet on the subject. This publication accordingly contains the information furnished by the local officers as well as the rules relating to the occupation of the bungalows in question. It is hoped that by the publication of this pamphlet the difficulties hitherto experienced will to a large extent be removed.

I. Those intended for the use of gazetted officers.

II. Those primarily intended to be used by non-gazetted officers and clerks.

The classification shall be fixed by the Collector for District bungalows, the Superintending Engineer for Public Works Department bungalows, the Deputy Commissioner of Salt and Excise for Salt Department bungalows and the Conservator of Forests for Forest Department rest-houses.

2. Questions connected with the occupation of bungalows shall be referred to the Controlling Officer. The following shall be the Controlling Officers for the different kinds of bungalows :—

B.—Persons eligible for the occupation of bungalows.

3. The Commissioners of Divisions and (in the case of Salt Department bungalows) the Commissioner of Customs, Salt and Excise shall have power to reserve either permanently or temporarily bungalows which are required for departmental purposes. 4. (*a*) Gazetted officers travelling on duty are entitled to use Class I bungalows.

(*b*) Non-gazetted officers when travelling on duty may occupy the outhouses of these bungalows.

Provided that the Controlling Officer may give any individual non-gazetted officer general authority to use the Class I bungalows under his control.

5. The following officers of Government are entitled when travelling on duty to occupy Class II bungalows :—

(*a*) Gazetted officers.

(*b*) Non-gazetted officers, provided that non-gazetted officers on pay of less than Rs. 50 may not occupy such bungalows without the permission of the Controlling Officer.

6. Military officers, non-official Presidents of District Local Boards, Chief Officers and Engineers of District Local Boards, on pay of Rs. 200 and above, and Divisional and District Organizers of Co-operative Societies are regarded as gazetted officers, and, for the purposes of these rules, Chiefs and recognized Administrators of Native States and Karbharis should be considered to be gazetted officers.

7. A Presidency or Divisional officer who gives ten days' clear notice to the Controlling Officer of his intention to occupy a bungalow shall not be refused permission unless the bungalow is either occupied by a District officer who is engaged on urgent duty in the immediate neighbourhood, or has been specially reserved under rule 3 above. In particular during the fair season a Presidency or Divisional officer shall be given preference over a District officer who ordinarily tours with tents.

7-A. (*a*) For district officials on duty the reservation of a bungalow should carry the right to occupy.

(*b*) For officers other than officials on duty the reservation should carry the right to occupy subject to the condition that they should vacate the bungalow when required by a district official on duty.

8. Persons other than Government officers may be permitted by the Controlling Officer to occupy bungalows of both classes :—

(*a*) Subject, except in the case of non-official Presidents of Taluka Local Boards, to payment of the fees mentioned in rule 15 ;

C.—Period for which occupation is allowed.

9. A Government officer who has been in occupation of a bungalow for ten days or more shall vacate at 24 hours' notice if the bungalow is required by any other Government officer entitled to its use.

10. Subject to the reservation mentioned in the foregoing rule and to the preferential claims indicated in rules 7 and 7-A (*b*), there is no maximum time limit in respect of the occupation of bungalows.

D.—Fees.

11. Officers of the Salt and Forest Departments may occupy the bungalows of their respective Departments free of charge for an unlimited period.

12. Except as provided in rule 11, Government officers and others who are entitled under rules 4 to 6 to occupy bungalows or out-houses may occupy them free of charge for 10 days. If during this period an officer is compelled owing to the exigencies of his work to move out, leaving his family or kit in the bungalow, fees at the rates specified in the following rule are chargeable if the absence extends over three consecutive nights or more.

13. For periods in excess of ten days the following fees shall be charged :—

(1) For occupation of Class I bungalows :—

14. The period for which occupation of a bungalow shall be allowed free of charge and the period for which fees shall be charged shall be determined by the number of nights passed in the bungalow.

15. Persons other than Government officers shall be charged for the occupation of bungalows of both classes Re. 1 or annas 8 per diem according as the bungalow is or is not provided with a sweeper. For occupation for short periods not exceeding four hours fees shall be charged at half the rates.

It will be understood that the exemption granted to regimental non-commissioned officers and soldiers on duty does not apply to Staff Sergeants, or Telegraph or Railway subordinates.

3. The fee is one rupee per diem for each person occupying a separate room. Two or more persons occupying the same room shall pay only the single fee of one rupee. Non-gazetted officers of all Departments in receipt of a monthly salary not exceeding Rs. 200, when on duty during the rainy season, *i.e.*, from 1st June to 31st October, should be allowed to occupy travellers' bungalows on payment of a fee of 8 annas per diem instead of the full fee of one rupee; but this concession does not apply to those who pay half fee only for occupying the bungalow between sunrise and sunset; 8 annas is the minimum fee.

No such reservation should be permitted where there are district bungalows; and not more than one set of rooms in a bungalow should be allowed to be reserved at a time. No rent should be

charged if the accommodation is not made use of after reservation ' provided ' that intimation cancelling the reservation is received four whole days before the reservation was to take effect. Intimations received later than this should count as from four days from the date of receipt.

9. No one may occupy the same bungalow for more than three consecutive days, if the accommodation is otherwise required, without the permission of the Controlling Officer, who is usually the Executive Engineer of the District.

10. No person may occupy more than one room when the others are in demand.

12. A printed form, changed monthly, will be kept in the bungalow. In this travellers are required to enter their names, dates of arrival and departure, and amount of fees paid.

13. The following acts are strictly prohibited in all bungalows—

(1) lighting a fire in any room not provided with a fire-place or in a room so provided in any place but the fire-place ;

18. The Controlling Officer is the referee in all cases of dispute. Travellers who have any complaints to make should address that officer by letter, or enter their complaint in the " Remarks " column of the printed form.

19. It is requested that all fees and demands in accordance with the foregoing regulations, or the mess charges authorised by the Controlling Officer, be paid by travellers before leaving the bungalow, any irregularity, inconvenience, or other supposed cause for exemption from the regulated payment being referred to the Controlling Officer.

LIST OF BUNGALOWS INTENDED FOR THE USE OF TOURING OFFICERS AND THE TRAVELLING PUBLIC IN SIND, WITH RULES FOR THEIR OCCUPATION.

[*Price—Annas 3*]

Ex A.

BOMBAY BRANCH
OF THE
Royal Asiatic Society.

INTRODUCTION.

It has been brought to the notice of Government that much difficulty is experienced by inspecting and touring officers and the travelling public in arranging for accommodation in Government Bungalows intended for their use. It has been represented that there is no certainty as to what bungalows are available for occupation, what accommodation is contained in them, to what extent they are furnished, whose permission is required, if such is necessary, for the occupation of a bungalow, and whether a particular bungalow has been permanently or temporarily reserved for the officers of a particular Department. When therefore the revision of the rules for the occupation of District and Travellers' bungalows, etc. was under the consideration of this Government, it was decided that complete and up-to-date lists of these bungalows should be called for from the local officers concerned with a view to the preparation of a pamphlet on the subject. This publication accordingly contains the information furnished by the local officers as well as the rules relating to the occupation of the bungalows in question. It is hoped that by the publication of this pamphlet the difficulties hitherto experienced will to a large extent be removed.
